From the Pastor

Jeremiah 29:11 New Revised Standard Version (NRSV)

11 For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future with hope.

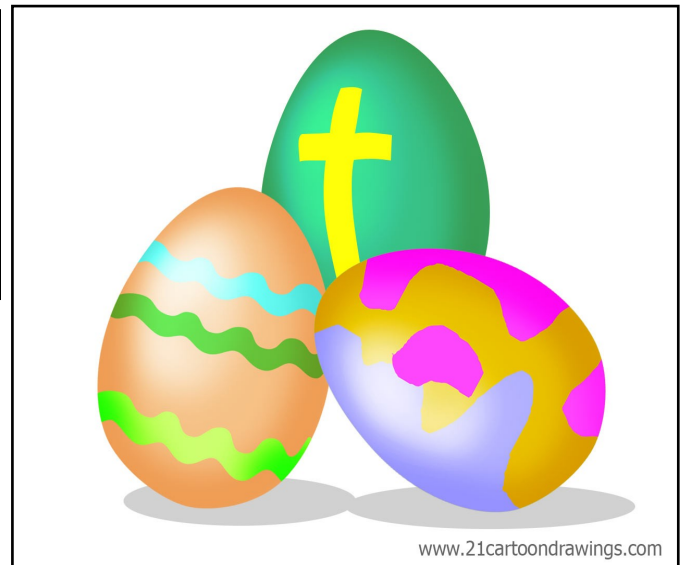

There is no question we are in a time of uncertainty. Not only is the Methodist church expected to go through a major change, now we are hit with dealing with the Corona virus. We are in unprecedented times that I believe is going to have God's glory shining brighter than ever in the end. What a great opportunity we have to come closer to Jesus. As I write this, we are still able to move and get outside on a limited basis. My kids, however, are under quarantine (although they are calling it "safe at home") I challenge all of us to follow my daughters lead. When I called her yesterday

she told me she was with Jesus. She actually told me that because she was stuck inside, she thought it was a great time to talk to Him. She was reading Romans 12 when I called. I find it amazing that I can look up to my daughter for inspiration. Remember this, God is with you during these tough times and He will never leave you. May He bless each and everyone of you with His everlasting love and grace.

Thanks to all the youth that helped cook and feed The Gideons at breakfast recently. A big thank you to the adults who helped also.

If you have any news or anything you would like to see in this Newsletter, please let Jane know. Pictures are also welcome.

Monthly Missions for April

The monthly Missions for April will be for the Church Youth. They play a vital role in the success of the Church. Please help support them.

Since the suspension of church and all activities due to the Corona Virus, this Newsletter is short. Hopefully within a short time things will get back to normal. We pray that you and your families remain safe and healthy. May God Bless each and every one of you.

The Adult Sunday School Class is currently studying Adam Hamilton's "Making Sense Of The Bible". It is an in-depth study of rediscovering the power of scripture today. Bob Wonsetler is the leader and does a tremendous job. Come check it out. There is always more room at the back table for coffee and discussion.
